Testimonials

"For someone like me who enjoys eating, cooking, and baking, the prospect of eating and drinking through a tube permanently was akin to a death sentence. I'm grateful to the Abington Crest rehab unit, VitalStim therapy, and the speech therapist for her perseverance and dedication." - Fred Freeman, Patient

"The caregivers here really care about their patients. I have made wonderful progress. When I was admitted, I could not even get out of bed. Now I am walking with a cane and getting ready to discharge back home." - John Lindvay, Rehab Graduate
