"When I came here, I couldn't eat anything. Now, I am enjoying pleasure foods thanks to a wonderful speech therapist. I certainly would not be doing as well as I am today without them." - Ruby Vanetten, Patient

"I was so scared to go to a rehab center, but once I got here, the staff really put me at ease and showed me that I could do anything I wanted. Now I am going home and I will be able to drive." - Linda Mandell, Rehab Graduate
