Testimonials

"The therapy department is the best ever. I came in as an outpatient, when the therapist recognized I had a much more serious problem than originally thought. Gone unrecognized, my injury could have been much more serious. I am very happy to recommend Medco!" - Helen Kail, Patient

"I wanted to go home after my stay at the hospital, but was unable to, so I chose to go to Medco. I'm so thankful that I did, because with their help, I was able to return home. I am even driving again!" - Elizabeth Tarr, Rehab Graduate
