MORNINGSIDE HEALTH CARE RESIDENTS SALUTE OUR SOLDIERS THROUGH A RANDOM ACT OF KINDNESS

SHEBOYGAN, WI – April 15, 2009 – The residents at Morningside Health Care Center decided, at a recent resident council meeting, to give back to service men and women. “We wanted to do something to show how much we appreciate them.” stated resident, Charlene Stuart. An idea they came up with was to make quilts for military families that work for Morningside Health Center.

The first quilt was presented to Lance Corporal Jonathon Swangstu who’s mother Rose is a Certified Nursing Assistant at Morningside Health Center. “Jonathan was very honored that the residents thought of him and worked so hard to make the quilt. He is now on his way back overseas and this quilt will help him remember how much people back home care for him.” said Rose. The quilts were made by the residents with the special time and talent of Jerilyn Busch who works at the center. The residents raised money for the quilts from family donations and plant/bake sales.

The next sale to raise money for the military quilts will be on May 15th from 9am – 12pm. The sale will be held at Morningside, 3431 N. 13th St., Sheboygan (920) 457-5046
