Testimonials

"The therapy department does a great job. All staff members involved are very motivating. I would come back if I needed therapy again." - Bernadine Radle, Patient

"Oakwood Villa has been a family affair. My mother and sister had been there and said the therapy was fantastic. I worked closely with therapy to increase my ability to walk and gain upper body strength. I was able to return home independently within a few weeks. This is the best facility around." - Joan Kroker, Rehab Graduate
