

About Lake Country Landing

Lake Country Landing has views of Upper Genesee Lake, surrounded by walking paths. Our 60-unit community provides a wide range of accommodations for completely independent residents, from one bedroom to two bedroom apartments with a warm, residential feeling. In addition, we offer assisted living services to our residents that need them. Lake Country Landing is conveniently located near shopping, restaurants and downtown Oconomowoc.

For more information about our community or to arrange a personal tour, please call 262.567.4912.

Lake Country Landing

An Assisted Senior Living Community

...helping people live better

Selecting a Place to Call Home

At Lake Country Landing, our residents enjoy the comforts and privacy of home, activities to enhance their quality of life and a community where they have freedom while in a secure environment.

You will have the opportunity to make new friends or entertain old ones right outside the front door. Our residents are introduced into a new circle of active, interesting people who are going places, getting fit, sharing hobbies and enjoying the time of their life. The involvement of family and friends is what matters most.

In addition, our team of dedicated healthcare professionals offers supportive care centered around each and every individual. All of our caregivers are committed to creating a community that you will call home.

The following services are available at an extra cost:

- Personal laundry services
- Beauty and barber services
- Scheduled transportation to and from doctor appointments
- Physical, Occupational and Speech Therapy services
- Pharmacy and laboratory services

Serving Our Senior Community with Care

At Lake Country Landing, we believe in quality care and compassion while enhancing the lives of our residents. You can expect to find these principles in each and every service we provide.

Our residents receive all of the amenities of home without the work – a life without household chores, yard work or home maintenance. From two nutritious meals a day to assistance with personal care, laundry and housekeeping, you can rest assured that you will be taken care of around the clock.
